Education

Trinity College Dublin
Exchange semester - Computer Science and Statistics
department
2025 - 2025 | Dublin
Studying at the Computer science & statistics department as
a part of my exchange semester.

KTH Royal Institute of Technology
Master of science in engineering in Media Technology |
2021 – 2026 | Stockholm
Studying the five years engineering program in media
technology at the Royal Institute of Technology.

Älvkullegymnasiet
Technology | 2015 – 2018 | Karlstad
Studied technical high school education with specialization
in design and product development.

Voluntary assignments

Media's club mastery MKM
Service staff | 2022 – 2024 | Stockholm
Worked voluntarily at the section's pub serving
beverages and conducting activities. Within the club
mastery, I was also responsible for ordering alcohol with
accessories.

Chapter for Media Technology
Activity leader | 2022 – 2024 | Stockholm
Volunteered to welcome newly admitted students to the
media technology program by planning and
implementing events and activities.

Work experience

KTH Royal Institute of Technology
Teaching assistant | 2024 – 2024 | Stockholm
I worked as a teaching assistant at KTH's School of
Electrical Engineering and Computer Science, where I
guided and assessed students' Python lab exercises.
Additionally, I developed course materials on the school's
learning platform, mainly in Python and JavaScript.

Skry AB
Intern | 2024 – 2024 | Stockholm
I had an internship at Skry, where I also wrote my bachelor
thesis. My responsibilities included both frontend and
backend development, focusing on improving features and
resolving bugs in their internal systems using Ruby for the
backend and Vue for the frontend.

SVT
Digital Communicator | 2023 – 2024 | Stockholm
Via Academic Work, I worked as digital communicator for
the Programs & News department and later on for the
Support department. The role involved facilitating
communication between SVT and its audience, primarily
through responding to emails and moderating comment
sections on social media. My responsibilities also included
reporting user-experienced bugs to the developers.

Willys AB
Employee | 2021 – 2021 | Karlstad
Worked with ordering fruit and vegetables for the store and
then receiving it with a truck and picking it up in the store.
Also helped relieve the work in other departments when
needed.

PostNord Sverige
Postman | 2020 – 2021 | Stockholm
Distributed letters and packages in southern Stockholm via
bike and electric car.

PostNord Sverige
Postman| 2018 – 2020 | Karlstad
Distributed letters and packages in Karlstad via car and light
truck. I also distributed Linas Matkasse via PostNord on
evenings.

Harrys AB
Employee | 2017 – 2018 | Karlstad
Worked as a wardrobe assistant on weekends. Picked
glasses and plates when it was necessary.

Höglunda Säteri AB
Salesman | 2017 – 2017 | Karlstad
Worked with selling strawberries outside grocery stores.
